Description

Item #994000 - The **REC Boxed Baling Wire Lift Cart** makes moving 100 lbs or 50 lb baling wire boxes easier and safer. Just slide boxes from pallet onto lift and wheel over to baler wire stand. The 18" platform is easily adjustable from as low as 4-½ to as high as 59 inches to slide boxes onto racks for all auto-tie baler feed stands. Rotate or flip boxes as needed at waist height.

Box Wire Lift Cart Features:

- Large 18-1/2" x 24-5/8" platform
 - Strong 9/16" thick plate
 - 220-pound lift capacity
- Height adjustable from 4-1/2" low up to 59" high
 - Easy winch handle height adjustment
 - Handle locks to secure platform

- Durable hard rubber caster wheels (front & rear)
 - 3" front / 5" rear
 - Rear casters lock for secured footing
- Rugged steel frame
 - Low front feet are designed to slide under tables and sorters
